

E.M.S.

(Emergency Medical Services)

THE NEXT LIFE THEY SAVE COULD BE YOURS

Have you become an E.M.S. Supporter yet?

Just print and fill in this automatic payment form and post or take it to your own local bank. Forms can be found at all chemists from Paekakariki to Waikanae, or visit www.ems.org.nz to download it.

Remember, if 1000 people make an automatic payment of \$5 per month for a year, that would be \$60,000 for the E.M.S. Trust to continue their outstanding service to our community. If you think this is a good idea then make it happen.

E.M.S. needs the people of Kapiti's support – 789 callouts attended last year (trauma, medical and cardiac arrest) means we need them too!

DO IT NOW!!
